Steve W.,

Attached are a couple of short video clips from yesterday. They seemed representative of several similar moments throughout the afternoon. It looks like the Youth Group was working on decorations and a few of them got a little *high-spirited*—which, as you know, is pretty normal for a great group of teenagers.

That said, we probably need to make sure Nathan has enough help keeping an eye on things during events like this. A gentle reminder about expectations in the building might be helpful—no running, no going into the ACTS Room or Library without permission, no roughhousing, etc. Nothing heavy-handed, just setting some healthy boundaries.

Perhaps you or Steve Awtrey could touch base with Nathan when you get a chance.
